

How to operate the TV and Sky system

1. Turn on the **TV** by pushing the **red power button** located on the **top left corner of the Samsung remote**. Press the **source button** and select **HDMI 1**.
2. Using the **Harman Kardon remote**, turn on the Harman Kardon system, it may take **30 seconds or so to start up**, then push the **HDMI 1 button**.
3. Using the **Sky remote**, turn on the sky system. Please ensure you **aim the remote at the black rectangular sensor** located **underneath the TV to the right of the wooden remote box**.
4. Once on, the Sky mosaic will appear. Push **the Up/down CH button** to navigate through the channels.
